Re: In Re: Removal of Commissioner of Mark Bodi, Docket No. 2010-001

Dear Don:

I am writing to notify you that as a result of my filing objections to Chairman Bodi's motions to recuse the Governor from the removal proceeding and for the Governor's deposition on behalf of Governor John H. Lynch, I will not be participating in the consideration of, or in any action upon, those motions by the Executive Council.

To the extent there are continuing issues regarding the deposition of individuals other than the Governor that have been identified by Chairman Bodi or other parties, I will participate in the resolution of those issues to the extent required.

Very truly yours,

Jeffrey A. Meyers
