In accordance with RSA 656:5-a, whenever two or more candidates are running for the same office, the position of their names on the State Primary ballot is determined by a public drawing. During this process, the candidates' names are temporarily listed alphabetically and numbered in ascending order. These numbers are then drawn to determine the order of the corresponding names of candidates.

June 15 is also the last day for party committees to fill any vacancies. More information on elections can be found at <https://www.sos.nh.gov/elections>.

The State Primary Election will take place on September 13, 2022.
