Dear Mr. Gardner:

Enclosed please find my Statement of Financial Interests - RSA 15-A form in connection with my service as a member of the New Hampshire Judicial Council.

In connection with the completion of this form, I wish to note that I and/or my spouse are the holders of small amounts of stock (generally less than 200 shares in any one company) in various corporations, such as General Electric, Exxon Mobil, Pfizer, Bank of America, United Health Group, Verizon, etc. I am unaware of whether any of such corporations may have licensing, regulatory or legislative matters pending in New Hampshire that could potentially affect their business and, therefore, indirectly have some potential beneficial or detrimental affect on myself or my spouse as shareholders. I have discussed with Deputy Attorney General Orville Fitch whether these holdings would qualify as "special interests" within the meaning of RSA 15-A, and have been informed that the affect of any potential governmental action, on such holdings is so attenuated as not to fall within the statutory definition of "special interest." Accordingly, I have not included these holdings in completing the enclosed form.

Should you have any questions or desire any additional information, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in cursive script that reads "Robert J. Lynn".
