AGENDA

WOMEN IN GOVERNMENT

10th Annual Eastern Regional Conference

May 29 - 31, 2008

Bar Harbor, ME

THURSDAY, MAY 29, 2008

5:45 – 6:30pm

State Director Elections & 2009 Regional Conference Bidding

Representative Karen Morgan
Utah State Legislature
Chair, Women In Government Board of Directors

Representative Karen Morgan was first elected to the Utah House in 1998. During her five terms in office, she has championed key issues such as education, literacy, healthcare, economic development and child protection. She has been a strong advocate for children, women, the elderly and the disadvantaged. She founded the University of Utah Reading Clinic in 1999 and spearheaded the creation of Cottonwood Heights City. She helped to form economic development incentives which have strengthened Utah's economy. Representative Morgan serves on the Governor's Literacy Commission, the Utah JumpStart Coalition Board and the Utah Coalition for Civic, Character and Service Learning Board. Her Legislative Committee assignments include Education Appropriations, Workforce Services, Economic Development, Business/Labor, Transportation, Retirement and Ethics. Representative Morgan is the Chair of Women In Government's Board of Directors.

Senator Connie Lawson
Indiana State Legislature
Immediate Past Chair, Women In Government Board of Directors

Senator Connie Lawson currently represents the 24th District in the Indiana State Senate. She was first elected in 1996 and serves on the Health and Provider Services and Rules Committees. She is chair of Joint Rules and the Local Government and Elections Committee. She serves as Chair of Indiana Commission on Mental Health on the odd numbered years, she is on the Indiana Advisory Committee to the Office of Women's Health, and is a past Chair of the Indiana Women's Bipartisan Caucus. She has received numerous Awards for her work on mental health from the Indiana Mental Health Association and was recently recognized as Honorary Governor of the Richard Lugar Leadership Series. She was also recently selected to be the first woman in Indiana history to serve as the Majority Floor Leader. Senator Lawson is the Immediate Past Chair of Women In Government's 2008 Board of Directors.

Opening Comments

Susan Crosby
President
Women In Government

Ms. Susan Crosby currently serves as the President of Women In Government. She had served as the Deputy Executive Director of the organization since 2002 and previously as Chair of the Board of Directors. Ms. Crosby served in the Indiana House of Representatives for 12 years prior to joining Women In Government. She was the first woman elected to the Indiana House from District 44. During her tenure in the House of Representatives, Ms. Crosby served for six years as the first woman Deputy Speaker Pro Tempore and Vice Chair of the Rules and Legislative Procedures Committee.

Representative Karen Morgan

Welcoming Comments

Representative Kim Rosen
Maine State Legislature
Eastern Regional Director, Women In Government Board of Directors

Representative Kim Rosen of Bucksport, Maine is serving her second term in the Maine House of Representatives representing District 40. She has been appointed to the Legislature's Joint Standing Committee on Natural Resources. She currently serves as the Eastern Regional Director on Women In Government's Board of Directors.

Representative Linda Valentino
Maine State Legislature
Women In Government State Director
Eastern Regional Host

Representative Linda Valentino was elected to the Maine House of Representatives in 2004 and has served two years on the Legislature's Legal and Veterans Affairs Committee. This year she was appointed to the Appropriations and Financial Affairs Committee. In her first year in office, Rep. Valentino sponsored a bill prohibiting issuers of gift cards from charging dormancy fees and requiring any up-front transaction charges to be fully disclosed to consumers at the time of purchase.

Closing Comments

Representative DebraLee Hovey
Connecticut State Legislature
Secretary, Women In Government Board of Directors

Representative DebraLee Hovey has been an active force in politics and civic groups both in Maine and Connecticut. Currently, Representative Hovey serves on the Education and Judiciary Committees. As a member of the Education Committee, Representative Hovey is committed to maintaining and improving upon Connecticut's reputation for having one of the best school systems in the United States and to ensuring a quality education for all students. Representative Hovey is also a member of the state Advisory Council for Special Education, Association of Family and Conciliation Courts, Council for Exceptional Children, the Association of Educational and Psychological Consultants, Endangered Lands Coalition, and serves on the Milford Rape Crisis Center's Board of Directors. She is the current Secretary of Women In Government's Board of Directors.

Marie Savard, MD
ABC News Medical Contributor

Dr. Marie Savard, ABC News Medical Contributor, is a nationally recognized internal medicine physician, expert on women's health and champion for patient empowerment. She is the author of three books, The Body Shape Solution to Weight Loss and Wellness, How to Save Your Own Life and The Savard Health Record. She speaks frequently on the topic of cervical cancer prevention. Dr. Savard has been a health columnist for Women's Day magazine, technical advisor to the United Nations' Fourth World Conference on Women in Beijing and senior medical consultant to Lifetime Television's Strong Medicine.

Roberta Biegel, MA
Senior Director
Public Policy and Government Relations
National Osteoporosis Foundation

Roberta Biegel joined the National Osteoporosis Foundation (NOF) in mid-2003 as Senior Director of Public Policy and Government Relations. At NOF, she has reinvigorated its grassroots advocacy through the development of the Bone Health Advocacy Network and overseen congressional funding of a bone research program at the Department of Defense. Previously, Ms. Biegel was Director of Government Relations at the Society for Women's Health Research. At the Society, she created and directed the Women's Health Research Coalition (WHRC), with ongoing responsibility for its management and public policies. Ms. Biegel has played a role in increasing federal funding for and expansion and creation of health programs affecting women.

Researching Breakthrough Medicines & Cutting Edge Solutions in Healthcare

- What is the research and development process in introducing new medicines?
- How can these new medicines be incorporated in hospitals and doctor's practices?
- How will these innovations impact healthcare delivery?

Facilitated by: Senator Diane Savino
New York State Legislature
Member, Women In Government Board of Directors

Senator Diane Savino was elected to represent the 23rd Senatorial District in 2004, encompassing the North Shore of Staten Island and portions of Brooklyn, including Borough Park, Coney Island, Bensonhurst, and Sunset Park. She began her career in public service as a caseworker for New York City's Child Welfare Administration, providing direct assistance to abused and neglected children. As a strong supporter of health and safety initiatives, Senator Savino successfully passed a law increasing funding for cervical cancer and has been active in educating women about the HPV vaccine, which protects women from this easily preventable disease. She is a member of the Civil Service and Pensions (Ranking Minority), Labor, Environmental Conservation, Housing, Construction and Community Development, Judiciary, Tourism, Recreation and Sports Development and Transportation Committees.

Heather Crouch, PharmD
Senior Regional Medical Scientist II
Vaccines and Anti-Infectives Division
Medical Affairs North America
GlaxoSmithKline Pharmaceuticals

Dr. Heather Crouch has worked with GlaxoSmithKline (GSK) Pharmaceuticals for eleven years. During her time at GSK she has had several roles including her current role as a Senior Regional Medical Scientist. She currently works in the Vaccines and Anti-Infectives Division focusing on HPV and Cervical Cancer. Dr. Crouch served as a Legislative Aide in the Virginia General Assembly, House of Delegates for two years.

Terry McInnis, MD, MPH
Medical Director
Health Management Innovations
GlaxoSmithKline Pharmaceuticals

Dr. Terry McInnis has over 15 years of executive, administrative, and clinical experience in various health care and employer segments with a Board Certification in Occupational Health and Environmental Medicine. Dr. McInnis is a Fellow of the American College of Occupational and Environmental Medicine, a Course Advisor to the Department of Continuing Education of Harvard University, and serves on various National committees of the National Business Group on Health. At GlaxoSmithKline, Dr. McInnis has presented nationally on the concepts of benefit design strategies that maximize consumerism by aligning financial incentives to reduce overall health care costs.

Vice President
Women In Government

Sarah Wells is the Vice President of Women In Government and has been with the organization for over eight years. In this position she assists the President and Board of Directors with strategic planning, special projects, the development of international programming and the facilitation of conferences and events. Furthermore, Ms. Wells directs the Public Policy, Operations and Development Departments. She is an appointed member from the Mason District on the Fairfax County, Virginia Advisory Social Services Board. Ms. Wells is also a member of the American University Government Relations Alumni Career Committee and is a National Honorary Committee Member of the Collegiate Cancer Council. Ms. Wells has written for a wide variety of publications including the American Public Health Association and a forthcoming article in the Journal of the Academy for Medical-Surgical Nursing. She frequently speaks before national audiences including the annual Unite for Sight Conference at Stanford and Yale, before graduate classes at the Johns Hopkins University and Trinity College and internationally for the Pan American Health Organization and United Nations Educational, Scientific and Cultural Organization.

Marie Savard, MD
ABC News Medical Contributor

Deborah Arrindell
Vice President of Health Policy
American Social Health Association

Deborah Arrindell is Vice President of Health Policy and head of the Washington, DC office for the American Social Health Association (ASHA). During her tenure at ASHA, Ms. Arrindell has been instrumental in organizing advocacy efforts on a number of STD-related policy issues. Prior to joining ASHA, Ms. Arrindell held numerous positions in health and social policy, including serving as executive director of the Home Care Aide Association of America, associate director of Governmental Affairs for the American Nurses Association, assistant director of Social Policy for the League of Women Voters and public policy director for Wider Opportunities for Women. Currently, Ms. Arrindell serves on the boards of Advocates for Youth, the National Family Planning and Reproductive Health Association, the Global Campaign for Microbicides, and the Alliance for Microbicides Development. Ms. Arrindell has more than 30 years experience in social policy and health policy.

Representative Denise Barnard
Vermont State Legislature
2008 Women In Government State Director

Representative Denise Begins Barnard has represented Richmond, in Chittenden County, as a member of the Democratic Party since 2005. She was born in Montpelier, Vermont on April 16, 1960. In addition to her work in the state legislature, Representative Barnard is also a member of the Richmond Board of Civil Authority, the Richmond Area Business Association, and Our Lady of the Holy Rosary Church. Within the legislature, Barnard serves as Clerk of the Education Committee and has led the fight with fellow female legislators to enact legislation to improve education about cervical cancer and HPV. She also serves as a 2008 State Director for Women In Government.

Lance Rodewald, MD
Director, Immunization Services
National Immunization Program
Centers for Disease Control & Prevention

Dr. Lance Rodewald is director of the Immunization Services Division in the National Immunization Program of the Centers for Disease Control and Prevention. This division administers the Vaccines for Children program and a grants program to state and urban area health departments; conducts health services research; and provides training and education to health professionals. He joined the Centers for Disease Control and Prevention in 1996 as associate director for science in the Immunization Services Division. Dr. Rodewald's research interests include the structure of the immunization delivery system, methods to improve immunization coverage levels, and methods to integrate more completely and seamlessly immunizations into primary care.

Kari Sapsis, MPH
Health Communication Specialist
Pre-teen Vaccine Campaign Manager
Office of Health Communication
National Center for Immunization and Respiratory Diseases
Centers for Disease Control and Prevention

Kari Sapsis has spent over 10 years working in public health communication and social marketing at the Centers for Disease Control and Prevention (CDC). As the Manager of CDC's national Pre-teen Vaccine Campaign, she coordinates the formative research, message development, channel selection, materials development, partnership outreach, and media relations for the campaign. Prior to assuming the lead on this campaign, Ms. Sapsis coordinated CDC's annual influenza vaccine campaign, which included the development of a bilingual print campaign, radio and TV public service announcements, media outreach, and audience research with racial and ethnic minorities, seniors, people with chronic health conditions, parents, and physicians.
