**Subject:** CORIS Advisory Council Meeting - May 1-2

Good evening all! As you all know, we are planning our inaugural CORIS Advisory Council meeting next week. To that end, we wanted to send an initial notice regarding the basic logistics for your planning purposes.

**What:** CORIS Advisory Council Meeting  
**Who:** Charter Members: John Taylor (VADOC), Dave Packard (MDOC), Ron Cormier (NHDOC)  
**When:** May 1, 2008 (arrive late afternoon, hotel check-in, dinner at 7:00p TBD)  
 May 2, 2008 (Workshop to begin at 8:30a; to be completed by 2:00p)  
**Where:** Portland, Maine (Hotel: The Embassy Suites hotel – Portland Jetport)  
**Purpose:** The intent of this meeting is to begin to develop the framework for a formal, ongoing communication vehicle between xwave and our CORIS customers. This framework (and resulting Charter) will be leveraged into a CORIS User Group forum, enabling our users to communicate with one another, as well as xwave. The details of this framework will be worked out during Friday's workshop.

Hotel arrangements at The Embassy Suites will be made for you for the evening of May 1.

**Dave / Ron:** I assume you will be driving to the venue; please let me know if this is not the case.

**John:** Would you prefer for us to make your flight arrangements, or would you rather make them and have us reimburse you?

Further communication e-mails and calls will be made over the next few days – providing you with more details about these logistics. If you have any questions, please don't hesitate to contact Tom Demerson (506.461.5999) or Doug Rowe (207.756.4549).

We look forward to this event, and wish to thank you for your support and participation.

Doug and Tom
