Date: July 6, 2009

**TO THE HONORABLE GOVERNOR & COUNCIL:**

The Department of Health and Human Services, Office of Medicaid Business and Policy requests permission for 1 employees or their designees to travel to Albuquerque, New Mexico for 3 days of travel status from Wednesday, July 29, 2009 to Friday, July 31, 2009.

### Conference/Workshop/Seminar Title

State Coverage Initiatives Program National Meeting

### Purpose of Travel

Christine Shannon, Bureau Chief, Planning & Research, OMBP requests to attend the two (2) day Annual Meeting of Academy Health's State Coverage Initiative (SCI). Ms. Shannon has been invited to participate on a panel titled *Transparency and Accountability* where she will give the perspective of a state Medicaid agency using an all payer claims database to aid in program analysis, program and policy development and decision-making. NH is one of the first states to have this capacity; this panel has been assembled to assist other states that are starting or contemplating building such a database.

There will be sessions to gather information on health care reform efforts in AR, IA, WI, OR, VT and MA-as OMBP monitors federal health reform proposals; SCHIP outreach/enrollment; role of public health vis-a-vis health care reform; medical home and ARRA funding opportunities. Finally, these sessions will all undoubtedly all revolve around discussions of the federal health care reform proposals circulating in Congress. This opportunity to mingle and brainstorm with nationally renowned health care policy analysts without the expense of state funds is extraordinary.

No state funds are requested. All travel expenses are fully funded by Academy Health.
