- Massachusetts will be the lead State for a response to a funding opportunity for “early innovator states” to develop insurance exchanges. Connecticut, Maine, Rhode Island and Vermont will be participating as co-applicants. The goal of this project will be to develop, share and leverage insurance exchange technology components among early innovator states in New England and to create a learning collaborative led by a multi-state steering committee where States can share and develop cutting edge and cost effective technology components, intellectual property and best practices for implementing exchanges.
- Topics to be covered:
- Status update on application for cooperative agreement
 - Discussion of key sections of application requiring group input (see FOA Review Criteria page 20 – 21)
 - Readiness assessment:
 - Including current state of core health insurance exchange information technologies and components
 - Readiness assessment and prioritization exercise
 - Meeting Program Requirements
- 3:15 PM -3:30 PM **Wrap-up and Next Steps** (*Chris Koller, OIC, RI*)
