The NGA Center for Best Practices is hosting a webcast that focuses on issues relating to children and mental health. The webcast will be held on Wednesday, January 27th, 2010 at 1:30 PM (EST). This webcast will be targeted to Governors' Health Policy Directors, but NGA notified us today that they will open the broadcast for mental health agencies wanting to view this webcast.

The administrator from Substance Abuse and Mental Health Services Administration, Pam Hyde, will present her vision for SAMHSA and its relationship with states as well as her state experience in New Mexico. New Hampshire Commissioner, Nancy Rollins, will also participate on the webcast.

NGA informs us that they should have the agenda finalized by next week. We will pass on the agenda and directions on how to access the webcast just as soon as we receive them. In the meantime, if you have any questions or comments, please contact David Miller, Project Director, at david.miller@nasmhpd.org or call (703) 682-5194.
