- PETITION -

To His Excellency, the Governor, and the Honorable Executive Council:

In accordance with RSA 230:14, I, Carol A. Murray, Commissioner of the New Hampshire Department of Transportation, propose that alterations be made to NH Route 108 in the Towns of Durham and Newmarket at the location given below:

DURHAM-NEWMARKET, STP-TE-X-5133(009), 13080

Beginning in the Town of Durham at a point in the existing traveled way of NH Route 108, approximately one thousand (1,000') feet north of the Durham Point Road intersection and continuing south along the approximate existing alignment approximately three and five (3.5) tenths miles to a point approximately two hundred (200') feet south of the NH Route 108 intersection with Bay Road in the Town of Newmarket.

The project is intended to construct shoulders along NH Route 108 to improve safety for motorists, pedestrians and bicyclists. Additional safety improvements will include adding sidewalks along both sides of NH Route 108 in the Town of Newmarket, reconfiguring the Bennett Road and Durham Point Road intersections, as well as adding sidewalks along Durham Point Road and NH Route 108 north of Durham Point Road.
