### Requested Action

Authorize the Department of Safety, Division of State Police to enter into a **sole source** contract with Control Technologies, Inc., (VC#160482), Manchester, NH, in an amount not to exceed \$5,435.00 to provide expansion of the existing DDC (Direct Digital Control) to HVAC at State Police Troop D in Concord. Effective upon Governor and Council approval through June 20, 2013. Funding source: 81% Highway Funds, 19% Turnpike Funds.

Funds are available in the following account in SFY 2013:

02-23-23-234015-40030000	Dept. of Safety – Division of State Police – Traffic Bureau	<u>SFY 2013</u>
103-500736 – Contracts for Operational Services – Contract Repairs; Building & Grounds		\$5,435.00

### Explanation

Control Technologies, Inc. set up the controls for the existing HVAC system two years ago during a renovation of the Troop D basement so that the basement's HVAC settings could be controlled only through the Plant Maintenance Engineer's computer. This current contract will provide for the same type of work to be completed for the building's first floor HVAC system and for tying both sets of controls together so the HVAC system for the entire building can be managed centrally, which will improve system performance and efficiency. This contract is **sole source** for the foregoing reasons.

Respectfully submitted,

  
John J. Barthelmes  
Commissioner  
Department of Safety
