His Excellency, Governor John H. Lynch
and the Honorable Council

Sole Source

Requested Action

Pursuant to RSA 21-P:12-a(c), authorize the Department of Safety, Division of Fire Standards & Training and Emergency Medical Services to enter into a **sole source** two-year agreement with the National Registry of Emergency Medical Technicians, 6610 Busch Blvd, Columbus, OH 43229 (VC 168000, B001), in the amount not to exceed \$37,800.00 to provide voucher numbers for on-line testing services. The agreement is effective upon Governor and Council through June 30, 2014. Funding source: 100% Fire and EMS Fund.

Funding is available in the SFY2013 operating budget and is anticipated to be available in SFY14, contingent upon the availability and continued appropriation of funds in future operating budgets, with authority to adjust encumbrances in each of the State fiscal years through the Budget Office if needed and justified.

	\$15,750.00	\$22,050.00

Explanation

This request is **sole source** because the National Registry of Emergency Medical Technicians (NREMT) is the sole vendor that provides national certification testing services at the Advanced Emergency Medical Technician (AEMT) level. New Hampshire has adopted the National Registry of Emergency Medical Technicians as the certification agency for all emergency medical services providers in the state. This certification is nationally validated and accepted. Due to a national curriculum change, NREMT is transitioning from the current EMT-Intermediate to the AEMT certification. Due to this transition from the EMT-Intermediate level, an examination is required for responders to be certified at the AEMT level. This contract purchases vouchers to allow current EMT-Intermediates in the state to take the AEMT exam one time. When each EMT-Intermediate is prepared to take the AEMT certification exam, they will contact the Division to sign up for testing and will be issued a single voucher at that time.

Respectfully Submitted

John J. Barthelmes
Commissioner of Safety
