CHRISTOPHER D. CLEMENT, SR.
COMMISSIONER

JEFF BRILLHART, P.E.
ASSISTANT COMMISSIONER

Bureau of Right-of-Way
October 10, 2012

His Excellency, Governor John H. Lynch
and the Honorable Executive Council
State House
Concord, N.H. 03301

Re: **PETITION – Lancaster, X-A001(188), 16208**

Attached hereto is a Petition for a hearing on the reconstruction of US 2 (Bridge Street) and US 3 (Main Street, North Main Street) in the Town of Lancaster.

Since the Petition is not for the limitation or control of access, a Commission should be appointed to hold a hearing, and, if the necessity is found, to layout the new highway at this location.

This project is included in the State's Ten Year Transportation Plan. The purpose of the project is to reconstruct US 2 (Bridge Street) and US 3 (Main Street, North Main Street) as a modern roundabout to improve safety and operations in the Town of Lancaster and will require the acquisition of some right-of-way. No building acquisitions are required.

The suggested Commission Members were discussed with Executive Councilor Burton on September 28, 2012.

Suggested Commission:

Barbara Ashley, PO Box 580, Franconia
Dick Hamilton, 40 Woodside Avenue, Littleton
William Remick, 26 Winter Street, Lancaster

Suggested Budget:

30 X work days @ \$50.00 = \$ 1500.00
1800 miles @ \$.555 = \$ 1000.00
TOTAL = \$ 2500.00

Respectfully,

Christopher D. Clement, Sr.
Commissioner

Attachment

- P E T I T I O N -

To His Excellency, the Governor, and the Honorable Executive Council:

In accordance with RSA 230:14, I, Christopher D. Clement, Sr., Commissioner of the New Hampshire Department of Transportation, propose to reconstruct the intersection of US 2 (Bridge Street) and US 3 (Main Street, North Main Street) and reconfigure the intersection as a modern roundabout to improve its safety and operations in the Town of Lancaster, at the locations given below:

Lancaster, X-A001(188), 16208

This project will reconstruct the intersection of US 2 (Bridge Street) and US 3 (Main Street, North Main Street) and reconfigure the intersection as a modern roundabout to improve safety and operations. The proposed reconstruction of the intersection approaches will extend approximately 200' from the intersection. This project will impact historic properties.

Therefore, in accordance with RSA 230:14, I, Christopher D. Clement, Sr., Commissioner of the New Hampshire Department of Transportation, propose the improvements to intersection of US 2 and US 3 in the Town of Lancaster, New Hampshire.

Christopher D. Clement, Sr.
Commissioner

Dated at Concord, NH this
12th Day of October, A.D., 2012
