## Requested Action

Pursuant to RSA 21-P:12-a(c), authorize the Department of Safety, Division of Fire Standards and Training and Emergency Medical Services, to amend the **sole source** agreement with Honeywell International, Inc. (VC#175135-P001), 101 Columbia Rd, PO Box 1057, Morristown, NJ in the amount of \$9,607.00 to provide mechanical maintenance/air filter services. The original contract with Honeywell, approved on August 14, 2012 by the Director of Administration, Department of Safety, for \$9,327.00 was under the Governor and Council threshold. This contract amendment in the amount of \$9,607.00 increases the total amount from \$9,327.00 to \$18,934.00 and extends the time period. Effective January 1, 2013 through June 30, 2013 upon Governor and Council approval. Funding source: 100% Federal Funds.

Funding is available in the SFY2013 operating budget as follows:

02-23-23-237010-40650000 Dept. of Safety Div of FST&EMS – Fire Standards and EMS Admin	FY2013
103-502664 Contracts for Operational Services	\$9,607.00

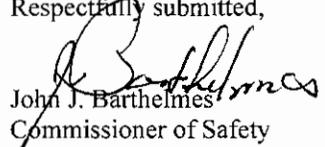

## Explanation

This is a **sole source** contract with Honeywell due to the HVAC system is controlled by Honeywell controls and is a proprietary system. The contractor provides maintenance for the mechanical system, components, and hardware for the HVAC and heating systems for the Fire Academy Administration building. Honeywell International Inc. has maintained the HVAC system since the building was opened in 1994.

Due to some technical difficulties, the Division has contracted with an engineering firm to examine the current HVAC system and controls to determine items that need to be repaired, replaced or upgraded to ensure a comfortable environment and the buildings are operating as energy efficiently as possible. Initially, the Division contracted with Honeywell for a six month agreement hoping the results from the HVAC study would be returned. However, at this time, the study is just being finished and the Division will need some time to work with Public Works to determine the most cost effective items to repair, replace or upgrade.

This contract amendment shall allow sufficient time to identify these items and bid out a single contract for all the buildings on the Fire Academy campus.

Respectfully submitted,

  
John J. Barthelmes  
Commissioner of Safety

EXPLANATION

The contractor provides maintenance for the mechanical system, components, and hardware for the HVAC and heating systems for the Fire Academy Administration building. In the past, Honeywell International Inc. has been awarded the agreement with the Division as a sole source agreement.

This Agreement may be amended only by written instrument signed by both Parties.

14.3 This Agreement is governed by the law of the State where the work is to be performed.

14.4 Any provision or part of this Agreement held to be void or unenforceable under any laws or regulations will be deemed stricken, and all remaining provisions will continue to be valid and binding upon HONEYWELL and CUSTOMER, who agree that this Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

14.5 CUSTOMER may not assign its rights or delegate its obligations under this Agreement, in whole or in part, without the prior written consent of HONEYWELL. HONEYWELL may assign its right to receive payment to a third party.

## 15. COVERAGE

15.1 CUSTOMER agrees to provide access to all Equipment covered by this Agreement. HONEYWELL will be free to start and stop all primary equipment incidental to the operation of the mechanical, control, automation, and life safety system(s) as arranged with CUSTOMER'S representative.

CUSTOMER agrees to provide, at its sole expense, connection to the switched telephonic network for the diagnostic devices and/or software.

15.5 HONEYWELL will review the Services delivered under this Agreement on an annual basis, unless otherwise noted.

15.6 This Agreement assumes that the systems and/or Equipment included in the attached List of Covered Equipment are in maintainable condition. If repairs are necessary upon initial inspection or initial seasonal start-up, repair charges will be submitted for approval. Should these charges be declined, those non-maintainable items will be eliminated from coverage under this Agreement and the price adjusted accordingly.

15.7 In the event that the system or any equipment component thereof is altered, modified, changed or moved, this Agreement may be immediately adjusted or terminated, at HONEYWELL'S sole option. HONEYWELL is not responsible for any damages resulting from such alterations, modifications, changes or movement.

15.8 HONEYWELL is not responsible for maintaining a supply of, furnishing and/or replacing lost or needed chlorofluorocarbon (CFC) based refrigerants not otherwise required under this Agreement. CUSTOMER is solely responsible for the cost of material and labor of any such refrigerant not otherwise provided for under this Agreement at current market rates.

15.9 Maintenance, repairs, and replacement of Equipment parts and components are limited to restoring to proper working condition. 15.11 CUSTOMER will promptly notify HONEYWELL of any malfunction in the system(s) or Equipment covered under this Agreement that comes to CUSTOMER'S attention.

## 16. TERMS OF PAYMENT

16.1 CUSTOMER will pay or cause to be paid to HONEYWELL the full price for the Services as specified on the first page of this Agreement. HONEYWELL will submit annual invoices to CUSTOMER in advance for Services to be performed during the subsequent billing period, and payment shall be due within twenty (20) days after CUSTOMER'S receipt of each such invoice. Payments for Services past due more than five (5) days shall accrue interest from the due date to the date of payment at the rate of one and one-half percent (1.5%) per month, compounded monthly, or the highest legal rate then allowed. CUSTOMER will pay all attorney and/or collection fees incurred by HONEYWELL in collecting any past due amounts.

16.2 Price Adjustment. HONEYWELL may annually adjust the amounts charged for the Services provided.

## 17. TERMINATION

17.1 CUSTOMER may terminate this Agreement for cause if HONEYWELL defaults in the performance of any material term of this Agreement, or fails or neglects to carry forward the Services in accordance with this Agreement, after giving HONEYWELL written notice of its intent to terminate. If, within thirty (30) days following receipt of such notice, HONEYWELL fails to cure or perform its obligations, CUSTOMER may, by written notice to HONEYWELL, terminate this Agreement.

17.2 HONEYWELL may terminate this Agreement for cause (including, but not limited to, CUSTOMER'S failure to make payments as agreed herein) after giving CUSTOMER written notice of its intent to terminate. If, within thirty (30) days following receipt of such notice, CUSTOMER fails to make the payments then due, or otherwise fails to cure or perform its obligations, HONEYWELL may, by written notice to CUSTOMER, terminate this Agreement and recover from CUSTOMER payment for Services performed and for losses sustained for materials, tools, construction equipment and machinery, including but not limited to, reasonable overhead, profit and applicable damages.

17.3 Cancellation. This Agreement may be canceled at HONEYWELL'S option in the event HONEYWELL equipment on CUSTOMER'S premises is destroyed or substantially damaged. Likewise, this schedule may be canceled at CUSTOMER'S option in the event CUSTOMER'S premises are destroyed. In the event of such cancellation, neither party shall be liable for damages or subject to any penalty, except that CUSTOMER will remain liable for Services rendered to the date of cancellation.
