COMMISSIONER

JEFF BRILLHART, P.E.
ASSISTANT COMMISSIONER

Bureau of Construction
November 14, 2012

His Excellency, Governor John H. Lynch
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Transportation to enter into a contract with American Flagging & Traffic Control, Inc. (Vendor 208631) of Salem, NH on the basis of a low bid of \$232,499.15 for installing and upgrading warning signs located on rural State and local roadways throughout the Maintenance District III area, from the date of Governor and Council approval through August 23, 2013 unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available as follows: FY 2013
04-96-96-963515-3054
Consolidated Federal Aid
400-500870 Highway Contract Payments \$232,499.15

EXPLANATION

This project is part of the annual Highway Safety Improvement Program. This project involves the installation and upgrading of warning signs and delineation in the Towns of Meredith, Moultonborough, Alton, Gilford, Barnstead, Wolfeboro and Wakefield. The project will address warning signs on two-lane roadways throughout the District III area as a cost effective measure to improve safety. Warning signs call attention to unexpected conditions on or adjacent to a highway or street and to situations that might not be readily apparent to road users. Warning signs alert road users to conditions that might call for reduction of speed or an action in the interest of safety and efficient traffic operations. This project is part of a systematic approach to improve safety on rural roads. The work addresses the needed replacement of signs to enhance safety, conform to the current MUTCD design standards, improve retroreflectivity, and provide better guidance for the motoring public.

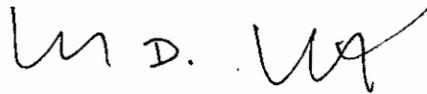

Page 2

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is 90% federal funds with 10% state match. Turnpike toll credit is being utilized for match requirements, effectively using 100% federal funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Christopher D. Clement, Sr.
Commissioner

CDC/md

Department Estimate: \$364,068.50
Contract Amount: \$232,499.15

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project involves identification of locations for installation of warning signs and upgrading existing warning signs located on rural State and local roadways throughout the Towns of Meredith, Gilford, Alton, Barnstead, Wolfeboro, and Wakefield, and to improve safety.

The proposed High Risk Rural Roads Project (HRRRP) improvements will consist of the removal of deficient and/or non-standard warning signs and the installation of new warning signs meeting current MUTCD and NHDOT standards.

FEDERAL FUNDING: 90% with 10% Turnpike Toll Credits as the State's match.

CONTINGENCY: There is no Contingency proposed for this project.

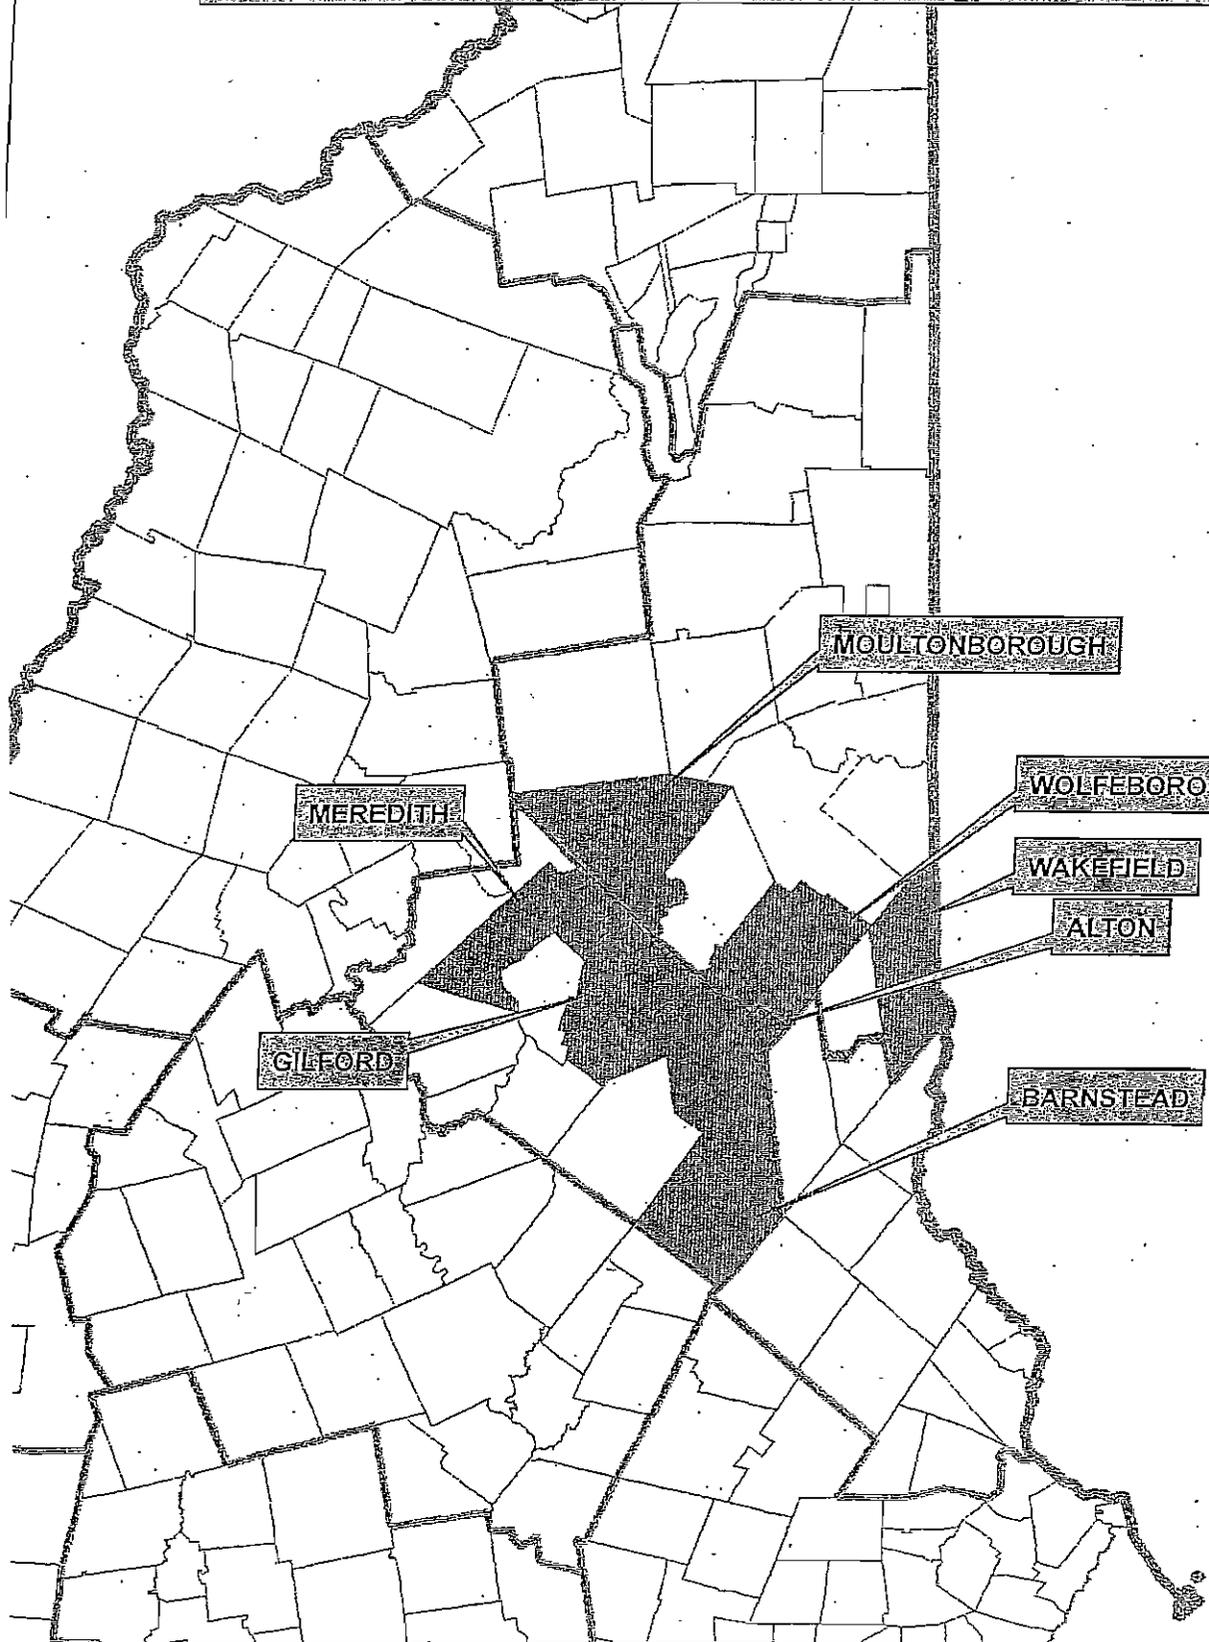

PROJECT INITIATED: State's 10-Year Transportation Improvement Plan

PROJECT EXPLANATION: This project involves the installation and renewal of sub standard warning signs as a cost effective measure to improve safety on rural State and local roads. Warning signs call attention to unexpected conditions on or adjacent to a highway or street and to situations that might not be readily apparent to road users. Warning signs alert road users to conditions that might call for a reduction of speed or an action in the interest of safety and efficient traffic operations.

TRAFFIC IMPLICATIONS: In general this work will be performed as short duration or mobile operation on the shoulder or with minor encroachment.
