072-500575	NH Bar Association	154546B001	\$30,000

EXPLANATION

These sub grants are from a federal formula grant that New Hampshire receives from the US Department of Justice, Office on Violence Against Women (OVW). The Violence Against Women Program is targeted specifically at deterring crimes involving violence against women and aiding the victims of those crimes. A statutory requirement of the VAWA grant program is that agencies representing law enforcement will be allocated at least 25% of the award; prosecution will be allocated at least 25% of the award; victim services will be allocated at least 30% of the award, of which at least 10% is to be distributed to culturally specific community-based services; and the courts are to be allocated at least 5% of the grant award.

The sub grant recipients have been awarded previous VAWA awards from this office. All had been selected through a competitive bid process and now represent our core service providers for the State of New Hampshire in the area of violence against women related services. As core service providers, these organizations have been selected to maximize the delivery of services throughout the State. These awards will allow the funded organizations to continue providing the vital services on which New Hampshire citizens have come to rely. Should New Hampshire's VAWA funding increase, we will again initiate a competitive bid process in order to increase our available services statewide.

Specific positions and services being funded through the awarding of these sub grants include: specially trained domestic violence and sexual assault prosecutors in six county attorneys' offices, victim advocate positions in police departments and in county attorneys' offices, supervised visitation and exchange center staff, funding to support staff positions for two Domestic Violence Units in our largest police departments, a specially trained Domestic Violence Investigative Officer at Plymouth State University and at the Franklin Police Department, continuation of emergency legal services to victims, a SART Coordinator position, a multidiscipline statewide training conference on domestic and sexual violence, stalking and dating violence, culturally specific advocates to work with underserved immigrant and refugee populations, a coordinator to facilitate services between DCYF and crisis centers

for battered women and their children, a highly trained coordinator for the Sexual Assault Nurse Examiner program, and support for staff positions at the Sexual Assault Support Services agency in Portsmouth. The allocation to the courts will be used to support a Domestic Violence Court Specialist position and to fund per diem judges in the Family Division who will hear domestic violence matters affecting victims and children currently experiencing family violence.

The vast majority of the above-mentioned VAWA funded projects support the retention of staff at these organizations. These projects are funded one hundred percent (100%) by federal dollars. In the event that federal funds become no longer available, general funds will not be requested to support these programs.

Please let me know if you have any questions concerning this request.

Your consideration is greatly appreciated.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "M. Delaney", with a long horizontal flourish extending to the right.

Michael A. Delaney
Attorney General
