Be it Enacted by the Senate and House of Representatives in General Court convened:

515:1 **Public Accountants.** Amend RSA 309-A:8, II (supp) as inserted by 1971, 523:1 by striking out said paragraph and inserting in place thereof the following:

II. Applications shall be made upon forms furnished by the board. Any person who on the effective date hereof would be eligible for a license as a public accountant but for those provisions of paragraph I hereof which specify a certain period of employment as a condition of eligibility may, on or before September 5, 1973, file with the board a certificate of intention in a form prescribed by the board; and upon the completion of the period of employment so specified under rules and regulations prescribed by the board, such person shall be entitled to a license as a public accountant.

515:2 **Application.** Amend RSA 309-A:8 (supp) as inserted by 1971, 523:1 by inserting after paragraph II the following new paragraph:

Any person, except a person who was serving in the armed forces as of September 5, 1971, seeking a public accountant license, who for good and legitimate reason was unable to apply for said license, or who had failed through no fault of his own to file a certificate of intention previous to September 5, 1972 in accordance with RSA 309-A:8, II, but who had on that date the qualifications prescribed in RSA 309-A:8, I, may with the approval of the board be entitled to a license as a public accountant, providing he applies on or before September 5, 1973.

515:3 **Effective Date.** This act shall take effect upon its passage.
