I have information based upon the attached affidavit.

~ See Sworn Affidavit Attached ~

Based upon the foregoing information (and upon my personal knowledge) there is probable cause to believe that the property hereinafter described is and may be found in, on, and/or around the desks, drawers, cabinets, boxes, closets, computers, hard drives, media storage devices including, but not limited to, floppy disks, CD's, ZIP Drivers, mobile media storage devices, etc., of the office area(s), restaurant area(s), kitchen area(s), and/or lounge area(s), and/or office/management areas of the business known as:

Railroad Tavern

82 Main Street
Keene, NH 03431
License # 1202603

The property and/or information I intend to seize and/or gain as a result of the issuance of a Search Warrant is the following:

- **ANY & ALL** video surveillance tape(s)/media storage device(s) used to record the events on December 12th, from 9:00 p.m., through December 13th, at 12:00

a.m. inside & outside the aforementioned business/licensee.

- A. Personal computers, and/ or register inventory logging computers, central processing units (CPU), external and internal drives, external and internal storage equipment or media, terminals or video display units, computer disks, disk drives, computer printers, computer scanning equipment, video capture equipment, keyboards, modems, tape drives, disk application programs, data disks, system disk operating systems, floppy disks, tape systems and hard drive and other computer related equipment.

- B. **ANY & ALL** computing or data processing software, or data including, but not limited to: hard disks, floppy disks, cassette tapes, video cassette tapes, magnetic tapes, integral RAM, CD- ROM's, and any other permanent or portable storage devices, e.g. ZIP disks, ZIP drives, Flash/USB Drives.
- C. **ANY & ALL** documents whether contained on paper (handwritten, typed, photocopied or printed form) or stored on the computer, magnetic tape, cassette, disk, diskette, photo-optical device or any other form.
- D. **ANY & ALL** computing or data processing literature, including, but not limited to: printed copy, instruction books, notes, papers or listed computer programs in whole or in part. Indicia of occupancy, including, but not limited to: bills, letters, invoices, personal effects, rental agreement tending to show ownership, occupancy, or control of the premises, or of the above described items "A" through "C".
- E. **ANY & ALL** records and documents whether contained on paper (handwritten, typed, photocopied or printed form) or stored on the cash register, computer, or magnetic tape, cassette, disk, diskette, photo-optical device or any other form. Logs, Log Books, notes, "Post-It" notes, scrap paper, memoranda and/or correspondence relating to the crimes mentioned in the foregoing affidavit. The State would also request invoice(s), delivery receipts/invoices, etc. from beverage/wine/liquor distributors.
- F. The State is aware of the probability/possibility of video surveillance equipment installed in the business. This equipment records those persons entering and leaving the establishment, as well as patrons within the establishment. It is also believed this equipment records sales and actions of patrons of the business as well as employees of the licensee, specifically, Railroad Tavern on 82 Main Street in the City of Keene, NH. Your affiant would request any and all video tape(s)/media storage devices (CD ROM, etc.) indicating the recording of customers and personnel inside and outside of the aforementioned business during the period of time stipulated in the warrant, i.e. specifically, December 12th, from 9:00 p.m., through December 13th, at 12:00 a.m., 2009.

NOTE: Your affiant recognizes that some of the above described property is data that will be contained on cassette tapes, video tapes and/or in electronic and machine readable media which is not readable by your affiant in its present state. By this affidavit your affiant requests authorization for himself and other searching members to seize, listen to, read and maintain the above described property and convert it to human readable form as necessary.

- **ANY & ALL** receipts, invoices, sales slips, credit vouchers, credit card slips, ledgers, bills as described in RSA 179:35 Retention of Invoices and Sale and Delivery Slips.
- **ANY & ALL** memorandums, log books, associated log entries, notes, shift rosters, personnel/employment documentation etc. and/or the like dealing with, referencing, or otherwise involving the incident and/or the personnel involved with, the event(s) described below.

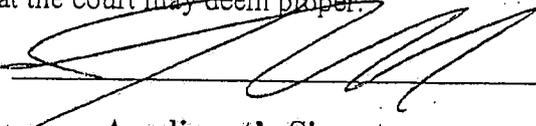

- ANY & ALL liquor/beverage/wine receipts, logs, shipping orders, bills of lading, etc..

Said property being contraband and/or evidence relative to an investigation of:

RSA 179:5 (I) Prohibited Sales [No licensee, salesperson, direct shipper, common carrier, delivery agent, nor any other person, shall sell or give away or cause or allow or procure to be sold, delivered or given away any liquor or beverage to a person under the age of 21 or to an intoxicated individual.]

RSA 179:50 Loitering; Intoxication; Unlawful Purpose [No licensee shall allow any person to loiter on his premises who is intoxicated or disorderly or who loiters for any illegal purpose.]

Wherefore, I request that the court issue a warrant and order of seizure, authorizing the search/analysis of the above property, and directing that if such property/information or evidence or any part thereof be found, that it be seized and brought before the court; together with such other and further relief that the court may deem proper.

Applicant's Signature

Then personally appeared the above named Joseph R. Fussell and made oath that the foregoing affidavit by him subscribed is true. Before me this 15 day of December, 2009.

IN SUPPORT OF SEARCH WARRANT APPLICATION

Cheshire COUNTY, SS

Keene DISTRICT COURT

December 15, 2009

In support of this application, I, Sergeant Joseph R. Fussell of the NH Division of

Liquor Enforcement, S.L.C., being duly sworn do hereby depose and say:

1. On December 12th, 2009, at approximately 11:30 p.m., I was parked on Main Street at the intersection of Railroad Street in Keene, New Hampshire. I parked my cruiser so that I had a clear and unobstructed view from the main entrance to an establishment licensed to sell alcoholic beverages identified as The Railroad Tavern, located at 82 Main Street in Keene, New Hampshire. At approximately 11:43 p.m., I observed a woman to be carried out of the establishment (specifically, another individual had their arm around her and was holding her up as they walked out). The male individual holding her up escorted her to the Railroad Square where they sat down on a bench. At this time, I utilized my personally owned binoculars to enhance my vision. I noted the incapacitated female was smoking a cigarette, and was slumped forward. I watched and noted that she proceeded to rock back and forth as she sat there. As I was watching, I noticed a small group of people (five total including the incapacitated female), that appeared to be regrouping from inside the Railroad Tavern. This group of individuals appeared to be preparing to leave the area with the incapacitated female.
2. At approximately 11:53 p.m., I observed a male individual from the group help the incapacitated female up to her feet. I watched as she was assisted to a vehicle parked directly in front of the licensed establishment identified above. Through these observations, I noted that the female was demonstrating signs of incapacitation, and was clearly unable to care for herself. She appeared to be unable to walk without assistance.
3. I identified the vehicle the above described female was being placed into was a SUV style vehicle, bearing a New Hampshire Registration -MLC-. I watched as the passengers assisted the female into the rear passenger seat, directly behind the female driver.

4. As the above described vehicle proceeded to leave the area, I placed myself directly behind it and followed (the vehicle did not lose my sight from the point the incapacitated female entered the vehicle). I subsequently conducted a motor vehicle stop on this vehicle on Railroad Street to check the welfare of the incapacitated passenger.

6. I approached the vehicle and immediately noted there to be three females in the back seat, a female driver and a male front seat passenger. I noted that the back seat passenger just behind the driver appeared to be passed out. I identified myself to the driver as a Police Officer verbally and by displaying my department issued credentials. I asked her if she would mind speaking with me outside of her vehicle. The driver said that she would speak with me outside of the vehicle, and we relocated to the space between the rear bumper of her vehicle and the front bumper of my cruiser. Once we reached the desired location, I identified her to be:

Miranda L. Conn
5 Colonial Village Drive #10
Keene, NH 03431
D.O.B. 08/19/1985
348-7298

I explained to her that I observed the female passenger behind the drivers' seat to be carried out of the Railroad Tavern and assisted into her vehicle. I said that I was concerned about her safety, and asked her if the female was okay. Mrs. Conn said that the female was okay, but she was extremely "drunk". Mrs. Conn said that she does not know the female that well, and the reason she was driving her home was because she feared for her welfare. I asked Mrs. Conn if she knew the female's name, and she said Michelle. Mrs. Conn went on and explained that there was somebody inside the establishment that was making advances towards Michelle, and because she felt Michelle was in danger of going home with this stranger while being so intoxicated that she was not able to care for herself, she decided to do the responsible act of taking her home. I asked Mrs. Conn from one to ten, ten being incapacitated; where did she feel Michelle was at. Mrs. Conn said she thinks Michelle was a 9.5. I asked Mrs. Conn what establishment were they consuming alcoholic beverages at prior to me stopping them, and she said The Railroad Tavern. I asked her if the establishment staff asked them to leave and she stated "God no". I asked if they left the establishment on their own without being asked to leave, and she said "Yes".

7. I walked to the passenger side of the vehicle, and Mrs. Conn opened the window so that I could speak with Michelle. I observed that Michelle was leaning forward, and it appeared that she woke up to speak with me. As I began speaking with her, I observed her eyes to be extremely bloodshot and glassy. I noted that her pupil size appeared to be normal, which indicated the reduced risk of poly drug use. As she spoke with me, she had extremely slurred speech, and demonstrated difficulty answering my questions. Michelle was not able to look into my eyes while she was speaking, more specifically, her eyes were wondering around from up, down, and from side to side (which indicated muscle control loss). I could immediately indicate through my training and experience as

a Drug Recognition Expert Instructor that Michelle was extremely incapacitated, and was not able to care for herself. I asked Michelle for her identifying information, and was ultimately able to determine she was identified (through her New Hampshire drivers license) as:

Michelle A. Clark
572 New Hampshire Route 10
Marlow, NH
D.O.B. 09/14/1981

Michelle immediately began telling me "Relationships Suck." She then proceeded to tell me that she was "Fucking Drunk". I asked her out of a scale of one to ten, ten being incapacitated, where did she feel she was at, and she stated that she was "Fucking Drunk". Michelle told me that this was the drunkest she had ever been. I asked Michelle if she was asked to leave the establishment by its staff and she stated "no". I asked her where the last place she consumed alcoholic beverages was and she said The Railroad Tavern. Throughout my conversation with Michelle, she was difficult to understand, and I had to ask her to repeat herself a number of times. In addition, she continued repating "relationships suck" as answers to my questions.

8. I was able to determine that Michelle consumed a small quantity of alcoholic beverages at her residence prior to going out that night. I learned that she consumed one mixed drink at an establishment identified as Vendetta in Keene, New Hampshire. Michelle's friends were answering most of my questions because Michelle was so incoherent. I determined that Michelle arrived at The Railroad Tavern at approximately 9:00 p.m., and was consuming mixed drinks all evening. Michelle was unable to answer me when I asked her how many she consumed, or even what the alcoholic beverage was named. A passenger said that Michelle was drinking "fruity" drinks. One of the back seat female passengers stated that she thinks Michelle had consumed 4-5 alcoholic beverages while at The Railroad Tavern.
9. Throughout my conversation with Michelle, she repeated over and over how much relationships suck. She was emotional, and appeared depressed. I explained to all of the occupants that I was concerned for the safety of Michelle because she was so incapacitated. I noted that all of the other passengers appeared to be sober, and I asked if she was safe to be in their care. All individuals stated that Michelle was safe with them. I asked if they would like medical assistance, and they stated that they did not need medical assistance. Prior to clearing the motor vehicle stop, all occupants thanked me for my concern.
10. On December 14, 2009, at approximately 11:00 a.m., I met with the Honorable Justice Gerald Boyle of the Concord District Court and was granted the authorization to serve a search warrant on the said establishment for the particulars listed in this warrant. 

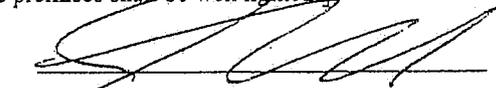

11. On December 14, 2009, at approximately 7:00 p.m., Sergeant Matthew Elliott and I arrived at the above listed establishment to serve the granted warrant. As we were serving the warrant, the owner of the establishment arrived and was identified as:

Randy L. Filiault
637 Main Street
Keene, NH
D.O.B. 03/05/1956

12. I identified myself to Mr. Filiault as a Sergeant with the New Hampshire State Liquor Commission, Division of Enforcement. I explained to him the circumstances outlining the warrant that was granted, and the items I wished to seize. Mr. Filiault stated that he would copy the requested video recordings onto CD-R compact disks so that we could avoid the removal of his surveillance system. In an attempt to be as reasonable as possible with Mr. Filiault as he is a business owner, I determined that it was acceptable to seize the recordings rather than the entire surveillance system.
13. Mr. Filiault subsequently began recording eight camera views onto individual CD-R compact disks which was believed to include the times indicated and dates indicated within this warrant. As he recorded the video surveillance onto the compact disks, I observed as he indicated the start time to be December 12, 2009, at 21:00 hours, and the end time to be 12/13/2009, at 00:00 hours (as indicated in this warrant) on each record action request.
14. Sergeant Matthew Elliott checked the completed CD-R compact disks to assure they were viewable, and informed me that they were. Mr. Filiault completed the task of copying the information onto the eight compact disks and relinquished them to me.
15. Sergeant Elliott and I subsequently cleared the establishment. After clearing the establishment, the compact disks that Mr. Filiault recorded the requested information on were determined to be missing approximately 2 hours and 50 minutes of surveillance. I determined that the CD-R compact disks Mr. Filiault provided only contained exactly 9 minutes of video footage.

The information I attempt to glean as a result of this Search Warrant is as follows:

- Information relative to possible charges relative to several violations of RSA 179:5 Prohibited Sales on the part of the aforementioned licensee, **Railroad Tavern** on **82 Main Street** in the **City of Keene, New Hampshire**.
- Information relative to the consumption and/or conduct of the female subject inside of the licensee relative to her level of intoxication. Notwithstanding the conduct of the owner, the consumption of those present and their consumption of their alcoholic beverages at the licensee appears, on it's face, to have been excessive. [See *RSA 507-F Alcohol Beverage Licensee Liability*]
- Information on the premises in accordance with RSA 179:35 Retention of Invoices and Sale and Delivery Slips [in accordance with statute, said information should be stored on the premises for 60 days or be readily available to be examined by the Commission or its Liquor Investigators]; as well as additional information relative to identifying the person or persons responsible for allowing the aforementioned subject to become intoxicated contrary to RSA 179:5 Prohibited Sales.
- Information on the premises relative to assisting in identifying those serving alcoholic beverages on the part of the licensee and charged with effectively monitoring the sale and service of alcoholic beverages, specifically the Person in Charge of the licensee in accordance with RSA 179:23(IV) Employment; Employment of Minors; Felon Exception.
- Information relative to the alleged violation of RSA 179:50 Loitering; Intoxication; Unlawful Purpose [No licensee shall allow any person to loiter on his premises who is intoxicated or disorderly or who loiters for any illegal purpose.]
- Information relative to the alleged violation of RSA 179:51 Lighting and Conduct Requirements for On-Premises Licensees [Holders of on-premises licenses shall conduct their premises in an orderly manner at all times, and the premises shall be well lighted.]

Applicant's Signature

Then personally appeared the above named, *Sergeant Joseph R. Fussell, #12*, and made oath that the foregoing affidavit by him subscribed it true.
