- III. The attorney general is authorized to impose a civil penalty under paragraph I. (a) The attorney general may impose a civil penalty by providing written notice to the person: (1) Setting forth the date, facts, and nature of each act or omission which makes the person liable to pay a civil penalty; (2) Specifically identifying the particular provision or provisions of the law involved in each violation; and (3) Advising the person of each penalty that the attorney general imposes and its amount. (b) The written

notice shall be served in hand or sent by registered or certified mail to the last known address of such person. The person shall have 30 days to pay any civil penalty assessed under this section to the secretary of state for deposit into the general fund.

IV. The decision of the attorney general to impose a civil penalty may be appealed to superior court. An appeal must be filed within 30 days of the date on which the person received it.

**659:34-a Voting in More Than One State Prohibited.** I. A person is guilty of a class B felony if, at any election, such person knowingly checks in at the checklist and casts a New Hampshire ballot on which one or more federal or statewide offices or statewide questions are listed if the person also casts a ballot in the same election year in any election held in any other state or territory of the United States where one or more federal or statewide offices or statewide questions are listed. For federal or statewide offices and statewide questions, neither the candidates nor the questions need be the same in both jurisdictions for a violation to occur. The titles for offices need not be identical, but must serve an equivalent role in government, for a violation to occur.

II. Two or more elections occur with the same election year if: (a) The election for federal or statewide office or on a question being voted on statewide in another state or territory is held on the same day that New Hampshire holds its general election; or (b) The term of office for any office listed on the ballot in the other state or territory starts in the same year as the term of office for that office or its equivalent in New Hampshire.

III. The state shall not be required to prove that the person actually marked the ballot for a candidate for any specific office; it shall be sufficient to prove that the person cast a ballot. Evidence that a person was checked off on the checklist, or the equivalent record in another state or territory, as having voted is prima facie evidence that the person cast a ballot in that election.

IV. If the election in New Hampshire and the other state or territory are held on different dates, it is an affirmative defense that the person legitimately moved his or her domicile to or from the other state or territory between the dates when the elections were held.

**659:35 Showing or Specially Marking Ballot.** ~~I. No voter shall allow his or her ballot to be seen by any person with the intention of letting it be known how he or she is about to vote or how he or she has voted except as provided in RSA 659:20. (not enforced by court order)~~

II. No voter shall place a distinguishing mark upon his or her ballot nor

write in any name as the candidate of his or her choice with the intention of thereby placing a distinguishing mark upon the ballot.

IV. Any person willfully violating any of the provisions of this section shall be guilty of a violation.

**659:37 Interfering With Voter, Etc.** No person shall interfere or attempt to interfere with any voter when such voter is in the space within the guardrail or endeavor to induce any voter before voting to show how he marks or has marked his ballot. **659:38 Forgery; Removing Ballot.** No person shall forge or falsely make the official endorsement on any official ballot, or furnish to any voter a ballot with the intent that such voter shall use the same in voting instead of the ballot given him by the ballot clerk, or take or remove any ballot outside the guardrail before the close of the polls, or knowingly delay the delivery of any ballots. Whoever knowingly violates this provision shall be guilty of a misdemeanor if a natural person or guilty of a felony if any other person.

**659:40 Bribing; Intimidation; Suppression.** I. No person shall directly or indirectly bribe any person not to register to vote or any voter not to vote or to vote for or against any question submitted to voters or to vote for or against any ticket or candidate for office at any election.

II. No person shall use or threaten force, violence, or any tactic of coercion or intimidation to knowingly induce or compel any other person to vote or refrain from voting, vote or refrain from voting for any particular candidate or ballot measure, or refrain from registering to vote.

III. No person shall engage in voter suppression by knowingly attempting to prevent or deter another person from voting or registering to vote based on fraudulent, deceptive, misleading, or spurious grounds or information. Prohibited acts of voter suppression include: (a) Challenging another person's right to register to vote or to vote based on information that he or she knows to be false or misleading. (b) Attempting to induce another person to refrain from registering to vote or from voting by providing that person with information that he or she knows to be false or misleading. (c) Attempting to

induce another person to refrain from registering to vote or from voting at the proper place or time by providing information that he or she knows to be false or misleading about the date, time, place, or manner of the election.

The moderator shall establish one or more no-electioneering corridors, no less than 10 feet wide, that extend from all entrances of the polling place a reasonable distance along the sidewalks or to the parking lots that serve the polling place. The moderator shall establish the corridor in a manner that permits a voter arriving or leaving the polling place to enter or exit without interruption or interference from individuals outside the corridor, and that permits a voter to step to the edge of the corridor and speak with those

electioneering if he or she chooses.
