EXPLANATION

This request is being made to accept rebate funds available from Welch's Foods Inc. to supplement the Special Supplemental Nutrition Program for Women, Infants and Children (WIC), Farmer's Market Nutrition Program (FMNP), and Breastfeeding Peer Counseling (BFPC) Services. The overall function of Welch's WIC Cost Relief Grants is to supplement the state WIC and BFPC programs at the state's discretion.

The funds are to be budgeted as follows:

Class 020: These funds will be used to supplement the administrative costs for the Farmer's Market Nutrition Program, reducing the necessity for general funds. Costs may include the purchase of printing materials for outreach and nutrition education, as well as office supplies used by staff members to carry out daily activities of the programs.

Area served: Statewide

Source of Funds: 100% Other funds from Welch Foods Inc.

Dear Ms. Sirois:

New Hampshire's 2022 Cost Relief Check was sent to your office previously. This year marks the 32nd year of Welch's Cost Relief Grant program. Since 1990, Welch's grants to states exceeded \$9.5 million dollars. In fact, since the beginning of this program, New Hampshire received over \$100,000 dollars from Welch's.

Welch's continues to support WIC programs across the country with annual WIC Grants, active involvement in the National WIC Association, supporting numerous state meetings and scores of local agency donations annually.

We hope we can count on your support for juice to continue to be an integral part of the WIC food package, delivering the equivalent of fifteen servings of fruit per month to participants.

Thank you for your continued support of Welch's.

Sincerely,

Nicholas Pyle
