664:6 Reporting by Political Committees. - I. Any political committee whose receipts or expenditures exceed \$1,000 in an election cycle, shall file with the secretary of state an itemized statement, in the form prescribed by the secretary of state, signed by its chairman and treasurer. The \$1,000 threshold shall not apply to political committees renewed under RSA 664:6, V; these political committees shall continue to file until a zero balance is reported. The statement shall detail the full name and postal address of each contributor in alphabetical order, the amount of the contribution, the date it was received, and the aggregate total for each election cycle. For contributors who, in the aggregate, donate \$50 or less in an election cycle, their personal identifying information shall not be publicly available in the secretary of state's campaign finance system, and their personal identifying information shall be exempt from disclosure under RSA 91-A. Any receipts from a contributor with aggregate receipts of \$50 or under shall appear on the statements as unitemized receipts. Any receipt that exceeds a contributor's aggregate total of \$200 for each election cycle shall be reported with the contributor's occupation, the name of the contributor's employer, and the city or town of the contributor's principal place of business, if any. The statement shall also show each expenditure with the full name and postal address of the payee or promise of payment, the date paid or obligated, whichever occurred first, and the specific nature and amount of each expenditure. Statements shall cover the period beginning the day after the last day covered in the prior statement period up to and including the Sunday before the statement is due, except for the statement in subparagraph (i) below which shall be inclusive through the Tuesday before the statement is due. For a candidate or a political committee of a candidate, as defined in RSA 664, where the candidate has not filed a declaration of candidacy or intent, as defined in RSA 655, for the current election cycle, only subparagraphs (a), (b), (c), and (i) apply. Statements shall be filed not later than 5:00 p.m. according to the following schedule: *see below*. II. Any political committee whose receipts or expenditures do not exceed \$1,000 for an election cycle need not file. However, when a committee's accumulated receipts or expenditures for an election cycle exceed \$1,000 the committee shall file a statement, inclusive of all receipts and expenditures for the election cycle, at the next reporting deadline, and shall continue to file at each reporting deadline. IV. Any political committee not subject to a registration fee under RSA 664:3 which has any outstanding debt, obligation, or surplus following the election cycle shall have its registration automatically renewed for the next election cycle. All other registered political committees will be conditionally renewed pending receipt by the secretary of state of the registration fee required under RSA 664:3. Political committees that report a zero balance and notify the secretary of state that they are filing their final statement will expire. Statements shall continue to be filed according to RSA 664:6, I until a zero balance is reported.

664:7 Registering and Reporting by Candidates. - Prior to filing any campaign finance statements, each candidate at the primary or general election for governor, councilor, state senator, state representative, or county officer shall register with the secretary of state through the secretary of state's online campaign finance system. Additionally, any candidate, who has receipts or expenditures exceeding \$1,000 in an election cycle, shall file statements as required in RSA 664:9-a through 664:9-c before and after an election in like manner and detail as prescribed in RSA 664:6, I-VI.

664:3 Registration of Political Committees. - I.(a) Any political committee, except the political committee of a political party, shall register with the secretary of state as provided in this section. Registration shall be made through the secretary of state's online campaign finance system. A political committee may register at any time during the election cycle, but the committee's registration shall be received by the secretary of state not later than 48 hours after the committee meets at least one of the criteria under RSA 664:2, III. The registration shall be accompanied by an itemized statement of the receipts and expenditures, if any, made by the political committee in the current election cycle prior to registration. Such itemization shall be made pursuant to the manner set forth in RSA 664:6. The registration shall also be accompanied by an administration fee of \$50, unless exempt pursuant to subparagraph (c), which shall be deposited by the secretary of state into the general fund. III. All political committees' registrations under this chapter shall be valid from the date of registration through 21 days after the primary or general election, whichever is appropriate, unless terminated sooner, in writing, by the chairperson and the treasurer of the political committee.
